## CORNELLY UNITED FC

In April 2008, the emergency services were called to an incident at a sports field in North Cornelly where a group of teenagers were injured after a car was driven at them.

11 people were taken to hospital and a 35yrs old man was subsequently arrested. The teenagers involved were from the club's Reserves Team who had just beaten neighbours Margam 5-0.

To everyone's credit, the team didn't let the incident stop them from completing their league programme.

The award was presented by the Mayor of Porthcawl, Cllr Norah Clarke.
